

INDEPENDENT AUDITOR'S REPORT

To the Members of Songadh Infrastructure & Housing Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Songadh Infrastructure & Housing Limited ("the Company"), which comprise the Balance sheet as at March 31 2025, the Statement of Profit and Loss, including Other Comprehensive Income, the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Other Information

The Company's Board of Director are responsible for the other information. The other information comprises the information included in the Company's Annual Report comprising Board's Report, but does not include the financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. When we read the Annual Report, if we conclude that there is a material misstatement therein, we are

required to communicate the matter to those charged with governance and take necessary actions, as applicable under the applicable laws and regulations.

Responsibilities of Management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are

appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flows and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act,
 - (e) On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164 (2) of the Act;
 - (f) With respect to the adequacy of the internal financial controls with reference to these financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B" to this report;
- B. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- a. The Company did not have any pending litigations which would impact its financial position;
 - b. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - c. There were no amount which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - d. (i). The management has represented that, to the best of it's knowledge and belief, as disclosed in the Note 38 to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediaries shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (ii). The management has represented, that, to the best of it's knowledge and belief, as disclosed in the Note 38 to the financial statements, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

- (iii). Based on such audit procedures, we have considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause d(i) and d(ii) contain any material mis-statement.
- e. The Company has not declared and paid any dividend during the year. Therefore, reporting in this regard is not applicable to the Company.
- f. Based on our examination, which included test checks, the Company has used accounting software Tally ERP for maintaining its books of account which have a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in accounting software. Further, during the course of audit we did not come across any instance of audit trail feature being tampered with. Additionally, the audit trail has been preserved by the company as per the statutory requirements for record retention.
- C. With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act: In our opinion and according to the information and explanations given to us, the managerial remuneration paid/ provided by the Company for the year ended March 31, 2025 is in accordance with the provisions of section 197 read with Schedule V to the Act;

Annexure A to Independent Auditor's Report of even date to the members of Songadh Infrastructure & Housing Limited on the financial statements as of and for the year ended March 31, 2025 (Referred to in paragraph 1 of our report on the other legal and regulatory requirements)

- (i) a. (A) The Company is maintaining proper records showing full particulars, including quantitative details and situation of property, plant & equipment.
(B) The Company has no intangible assets. Therefore, the provisions of clause 3(i)(a)(B) of the Order are not applicable to the Company.
- b. The Company has a regular programme of physical verification of its property, plant and equipment by which property, plant and equipment are verified in a phased manner over a period of three years, which in our opinion, is reasonable having regard to the size of the Company and nature its property, plant and equipment. In accordance with this programme, property, plant was physically verified during the year. No discrepancies noticed on such physical verification.
- c. Based on the records examined by us, title deeds of all the immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) included in note no. 4 to the financial statements are held in the name of the Company.
- d. On the basis of our examination of records of the Company, the Company has not revalued any of its property, plant and equipment (including right of use assets) or intangible assets during the year. Therefore, provisions of clause 3(i)(d) of the Order are not applicable to the Company.
- e. According to information and explanations given by the management, no proceedings have been initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder. Therefore, provisions of clause 3(i)(e) of the Order are not applicable to the Company.
- (ii) a. The Company has no inventory. Therefore, the provisions of clause 3(ii)(a) of the Order are not applicable to the Company.
- b. Based on our examination of the books of accounts of the Company, the Company has not been sanctioned working capital limits from banks or financial institutions during the year. Therefore, the provisions of clause 3(ii)(b) of the Order are not applicable to the Company
- (iii) Based on the books of account examined by us and according to information and explanation given to us, the Company has not made investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured to companies, firms, limited liability partnership or any other parties during the year. Therefore, the provisions of clause 3(iii) of the Order are not applicable to the Company.
- (iv) According to information and explanations given to us and based on audit procedures performed by us, the Company has no transaction with respect to loan given, investment made, guarantee and security provided as covered under section 185 and 186 of the Companies Act, 2013 during the year. Therefore, the provisions of clause 3(iv) of the Order are not applicable to the Company.

- (v) The Company has not accepted any deposit or amount which are deemed to be deposits covered under sections 73 to 76 of the Companies Act, 2013 and the Companies (Acceptance of Deposits) Rules, 2014 (as amended) during the year. Therefore, provisions of clause 3(v) of the Order are not applicable to the Company.
- (vi) Rules made by Central Government for the maintenance of cost records under section 148(1) of the Companies Act, 2013 are not applicable to the Company.
- (vii) a. According to the records of the Company examined by us, the Company is regular in depositing undisputed statutory dues including Goods and Service Tax, Provident Fund, Employees State Insurance, Income-tax, Duty of customs and other statutory dues as applicable, with the appropriate authorities. Sales tax, Service tax, Duty of excise, Value Added tax and Cess are not applicable to the Company. There were no undisputed outstanding statutory dues as at the yearend for a period of more than six months from the date they became payable.
b. According to the information and explanation given to us and the records of the Company examined by us, there are no statutory dues referred to in sub-clause (a) on account of any dispute.
- (viii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year.
- (ix) a. The Company has not defaulted in repayment of loan and in the payment of interest thereon during the year.
b. According to the information and explanations given to us and on the basis of our audit procedures, we report that the Company has not been declared willful defaulter by any bank or financial institution or Government or any Government authority.
c. Based on the books of account examined by us, term loans availed during the year, were applied for the purpose for which the loans were obtained.
d. According to the information and explanations given to us, and the procedures performed by us and on an overall examination of the financial statements of the Company, we report that no funds raised on short-term basis during the year have been used for long-term purposes by the Company.
e. According to the information and explanations given to us, the Company has no subsidiaries, joint ventures or associates. Therefore, the provisions of clause 3(ix)(e) and 3(ix)(f) of the Order are not applicable to the Company.
- (x) a. The Company did not raise any money by way of initial public offer or further public offer (including debt instruments) during the year. Therefore, the provisions of clause 3(x)(a) of the Order are not applicable to the Company.
b. The Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year. Therefore, the provisions of clause 3(x)(b) of the Order are not applicable to the Company.

- (xi) a. Based upon the audit procedures performed and the considering the principles of materiality outline in Standards on Auditing for the purpose of reporting the true and fair view of the financial statements and according to the information and explanations given to us, we have neither come across any instance of fraud by the Company or on the Company noticed or reported during the year nor have we been informed of any such case by the management.
- b. According to the information and explanations given to us, no report under sub-section (12) of Section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government during the year.
- c. According to the information and explanation given to us, there are no whistle-blower complaints received by the Company during the year.
- (xii) In our opinion, the Company is not a Nidhi company. Therefore, the provisions of clause 3(xii) of the Order are not applicable to the Company.
- (xiii) As per records of the Company examined by us, transactions with the related parties are in compliance with section 177 and 188 of the Companies Act, 2013 where applicable and details for the same have been disclosed in the financial statements as required by the applicable Indian Accounting Standards.
- (xiv) In our opinion and based on our examination, the Company does not have internal audit internal audit system and is not required to have an internal audit system as per provisions of the Companies Act, 2013. Therefore, the provisions of clause 3(xiv) of the Order are not applicable to the Company.
- (xv) According to the information and explanations given to us, in our opinion the Company has not entered into any non-cash transactions with its directors or persons connected with them and during the year hence provision of section 192 of the Companies Act, 2013 are not applicable to the Company. Therefore, the provisions of clause 3(xv) of the Order are not applicable to the Company.
- (xvi) a. In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934. Therefore, the provisions of clause 3(xvi)(a) of the Order are not applicable to the Company.
- b. In our opinion, the Company has not conducted any Non-Banking Financial or Housing Finance activities during the year. Therefore, the provisions of clause 3(xvi)(b) of the Order are not applicable to the Company.
- c. In our opinion, the Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Therefore, the provisions of clause 3(xvi)(c) of the Order are not applicable to the Company.
- d. According to the representations given by the management, the Group has 2 CIC as part of the Group. We have not, however, separately evaluated whether the information provided by the management is accurate and complete.
- (xvii) The Company has not incurred cash losses in the financial year and in the immediately preceding financial year. Therefore, the provisions of clause 3(xvii) of the Order are not applicable to the Company.

- (xviii) There has been no resignation of statutory auditors during the year. Therefore, the provisions of clause 3(xviii) of the Order are not applicable to the Company.
- (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) The Company is not required to spent any amount under section 135 of the Companies Act, 2013 towards Corporate Social Responsibility. Therefore, the provisions of clause 3(xx) of the Order are not applicable to the Company.
- (xxi) The Company does not have subsidiary, associate or joint venture. Therefore, the provisions of clause 3(xxi) of the Order are not applicable to the Company.

Annexure B to Independent Auditor's Report of even date to the members of Songadh Infrastructure & Housing Limited on the financial statements as of and for the year ended March 31, 2025 (Referred to in paragraph 2(f) of our report on the other legal and regulatory requirements)

We have audited the internal financial controls with reference to financial statements of Songadh Infrastructure & Housing Limited ('the Company') as of March 31, 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls with reference to the financial statement based on the internal control over the financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of Internal Financial Controls with reference to financial statements included obtaining an understanding of Internal Financial Controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A Company's Internal Financial Controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2025, based on the criteria for internal control with reference to financial statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI however the same need to be further strengthened.

Songadh Infrastructure & Housing Limited

Notes annexed to forming part of financial statements

Note – 1: Corporate Information

Songadh Infrastructure & Housing Limited (the Company or “SIHL”) was incorporated on January 2, 2009 and received its certificate of commencement of business on July 30, 2009. SIHL is engaged in the business of residential houses, staff colonies and commercial buildings and presently provides residential facilities solely for employees employed at JK Paper Limited, Unit - CPM. JK Paper Limited, including through its nominees holds 100% of the share capital of SIHL.

These financial statements were approved and adopted by Board of Directors of the Company in their meeting held on April 29, 2025.

Note – 2: Basis of Preparation of Financial Statements

(i) Statement of Compliance

The Financial Statements have been prepared in accordance with Indian Accounting Standards (IND AS) as prescribed under Section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules, 2015 as amended and relevant provisions of the Companies Act, 2013.

(ii) Basis of Preparation

The separate financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Companies (India Accounting Standards) Rules, 2015 as amended. The Company has prepared these financial statements to comply in all material respects with the accounting standards notified under Section 133 of the Companies Act 2013 (“the Act”).

The financial statements have been prepared on an accrual basis and under the historical cost basis except for certain financial assets and financial liabilities which are measured at fair value or amortised cost at the end of each reporting period as explained in relevant accounting policies.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The financial statements are presented in INR and all values are rounded to the nearest INR Lac, except when otherwise indicated.

The material accounting policy information related to preparation of the separate financial statements have been disclosed in the notes.

(iii) Use of Estimates

The preparation of financial statements in conformity with Ind AS requires the management to make judgments, estimates and assumptions that affect the

Songadh Infrastructure & Housing Limited

Notes annexed to forming part of financial statements

reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

(iv) Classification of Assets and Liabilities as Current and Non-Current

The Company presents assets and liabilities in the balance sheet based on current/non-current classification. An asset is classified as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All the other assets are classified as non-current.

A liability is classified as current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current. Deferred tax assets and liabilities are classified as non-current assets and non-current liabilities respectively.

Note – 3: Material Accounting Policies

a) Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. The specific recognition criteria described below also be met before revenue is recognised.

Revenue represents net value of goods or services provided to customers. If the consideration in a contract includes a variable amount, the Company estimates the amount of consideration to which it will be entitled in exchange for transferring the goods or services to the customer. The variable consideration is estimated having regard to various relevant factors including historical trend and constraint until it is highly probable that a significant revenue reversal in the amount of cumulative

Songadh Infrastructure & Housing Limited

Notes annexed to forming part of financial statements

revenue recognized will not occur when the associated uncertainty with the variable consideration is subsequently resolved.

Revenue are net of Goods and Service Tax. No element of significant financing is deemed present as the sale of goods or provision of services are made with a credit term, which is consistent with market practice. Delayed payment charges are recognized when there is reasonable certainty to expect ultimate collections.

Income from rental of property is recognised in the statement of profit and loss as per the contractual rentals unless another systematic basis is more representative of the time pattern in which benefits are derived from the leased assets.

b) Property, Plant and Equipment

On transition to IND AS, the Company has adopted optional exception under IND AS 101 to measure Property, Plant and Equipment (PPE) at carrying value. Consequently, the carrying value has been assumed to be deemed cost of PPE on the date of transition. Subsequently PPE are carried at cost less accumulated depreciation and accumulated impairment losses, if any. Cost includes expenditure that is directly attributable to the acquisition of the items. PPE acquired are stated at cost net of tax/duty credit availed, less accumulated depreciation and accumulated impairment losses, if any. Cost includes expenses directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Capital work-in-progress includes cost of PPE under installation / under development as at the balance sheet date. Advances paid towards the acquisition of PPE outstanding at each balance sheet date are classified as capital advances under other non-current assets.

Subsequent expenditures relating to PPE is capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the costs to the item can be measured reliably. Repairs and maintenance costs are recognized in net profit in the statement of profit and loss when incurred. The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement of the asset and the resultant gain or losses are recognized in the statement of profit and loss.

c) Investment Properties

Land and buildings which are held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Company, is classified as investment property. Investment property measured initially at its cost, including related transaction costs. Subsequent expenditure is capitalized to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably. Repairs and maintenance costs are expensed when incurred.

Songadh Infrastructure & Housing Limited
Notes annexed to forming part of financial statements

d) Depreciation

Depreciation on Property, Plant & Equipment and Investment Property is provided as per straight line method over their useful lives as prescribed under Schedule II of Companies Act, 2013. Depreciation on assets costing up to Rs.5000/- and on Temporary Sheds is provided in full during the year of additions.

Depreciation will be charged from the date the assets is available for use, i.e., when it is in the location and condition necessary for it to be capable of operating in the manner intended by management. The residual values, useful lives and methods of depreciation of Property, Plant & Equipment and Investment Property are reviewed at each financial year end and adjusted prospectively, if appropriate.

e) Impairment of Assets

The carrying amount of Property, plant and equipments, and Investment property are reviewed at each Balance Sheet date to assess impairment if any, based on internal / external factors. An asset is treated as impaired, when the carrying cost of asset exceeds its recoverable value, being higher of value in use and net selling price. An impairment loss is recognised as an expense in the Statement of Profit and Loss in the year in which an asset is identified as impaired. The impairment loss recognised in prior accounting period is reversed, if there has been an improvement in recoverable amount.

f) Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

Ancillary costs incurred in connection with the arrangement of borrowings are adjusted with the proceeds of the borrowings.

g) Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date.

Songadh Infrastructure & Housing Limited

Notes annexed to forming part of financial statements

Dilutive potential equity shares are determined independently for each period presented.

h) Income Tax

Current tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred tax

Deferred tax is provided using the balance sheet approach on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purpose at reporting date. Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognized as income or expense in the period that includes the enactment or the substantive enactment date. A deferred income tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized. The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

i) Employee Benefits

Short Term Benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the service rendered by employees are recognised during the period when the employee renders the services.

Defined Contribution Plans

The Company has no obligation, other than the contribution payable to the provident fund. The Company recognizes contribution payable to the provident fund scheme as an expense when an employee renders the related service.

j) Cash and Cash Equivalents

Cash and cash equivalents comprise cash on hand cash at bank and demand deposits with banks with an original maturity of three months or less which are subject to an insignificant risk of change in value.

Songadh Infrastructure & Housing Limited
Notes annexed to forming part of financial statements

k) Financial Assets

A Financial Instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

At initial recognition, all financial assets are measured at fair value. However, trade receivables that do not contain a significant financing component are measured at transaction price (as defined in Ind AS 115). Such financial assets are subsequently classified under following three categories according to the purpose for which they are held. The classification is reviewed at the end of each reporting period.

Financial Assets at Fair value through Profit or Loss

At the date of initial recognition, financial assets are held for trading, or which are measured neither at Amortised Cost nor at Fair Value through OCI. Therefore, they are subsequently measured at each reporting date at fair value, with all fair value movements recognised in the Statement of Profit and Loss.

Trade Receivables

A Receivable is classified as a 'trade receivable' if it is in respect to the amount due from customers on account of goods sold or services rendered in the ordinary course of business. Trade receivables are recognised initially at transaction price (as defined in Ind AS 115) and subsequently measured at amortised cost using the effective interest method, less provision for impairment.

Impairment is made on the expected credit losses, which are the present value of the cash shortfalls over the expected life of financial assets. The estimated impairment losses are recognised in a separate provision for impairment and the impairment losses are recognised in the Statement of Profit and Loss within other expenses.

Subsequent changes in assessment of impairment are recognised in provision for impairment and the change in impairment losses are recognised in the Statement of Profit and Loss within other expenses.

De-recognition of Financial Assets

Financial Asset is primarily de-recognised when:

- (i) The right to receive cash flows from asset has expired, or
- (ii) The Company has transferred its right to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a "pass-through" arrangement and either:
 - a) The Company has transferred substantially all the risks and rewards of the asset, or
 - b) The Company has neither transferred nor retained substantially all the risks and rewards of the asset but has transferred control of the asset.

When the Company has transferred its right to receive cash flows from an asset or has entered a pass-through arrangement, it evaluates if and to what extent it has

Songadh Infrastructure & Housing Limited

Notes annexed to forming part of financial statements

retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

I) Financial Liabilities

Initial Recognition and Measurement

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, and derivative financial instruments.

Subsequent Measurement

The measurement of financial liabilities depends on their classification, as described below:

i) Financial Liabilities measured at Amortised Cost

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortised cost using the effective interest rate method ("EIR"). Amortised cost is calculated by taking into account any discount or premium on acquisition and fee or costs that are an integral part of the EIR. The EIR amortisation is included in finance costs in the Statement of Profit and Loss.

ii) Loans and Borrowings

After initial recognition, interest-bearing borrowings are subsequently measured at amortised cost using the effective interest rate method. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognized as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down.

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least twelve months after the reporting period.

Songadh Infrastructure & Housing Limited

Notes annexed to forming part of financial statements

iii) Trade and Other Payables

A payable is classified as 'trade payable' if it is in respect of the amount due on account of goods purchased or services received in the normal course of business. These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

iv) De-recognition of Financial Liability

A Financial Liability is derecognised when the obligation under the liability is discharged or cancelled or expires. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss as other income or finance costs.

m) Fair Value Measurement

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole.

Level 1- Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2- Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3- Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

n) Leases

As a Lessor

The Company has leased out certain assets and such leases where the Company has substantially retained all the risks and rewards of ownership are classified as operating leases. Rental income from operating lease shall not be straight-lined, if escalation in rentals is in line with expected inflationary cost. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income.

Songadh Infrastructure & Housing Limited

Notes annexed to forming part of financial statements

Since the company entered into lease agreement upto twelve months only therefore it is covered under short term leases. Accordingly, no maturity analysis is required to be disclosed.

o) Provisions and Contingent Liabilities /Assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent Liability is disclosed after careful evaluation of facts, uncertainties and possibility of reimbursement. Contingent liabilities are not recognised but are disclosed in notes.

Contingent Assets are not recognised in financial statements but are disclosed, since the former treatment may result in the recognition of income that may or may not be realised. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and its recognition is appropriate.

p) Statement of Cash Flows

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

q) Segment reporting

Operating segments are reported in a manner consistent with the internal reporting done to the chief operating decision maker. The Company operates in a single operating segment and geographical segment.

r) Recent pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ending March 31, 2025, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

32. Analytical Ratios

Sr. no	Ratio	Numerator	Denominator	31-Mar-25	31-Mar-24	Change (%)
1	Current Ratio	Current Asset	Current Liability	0.11	0.09	19.43%
2	Debt Equity Ratio	Total Debt	Shareholder Equity	0.07	-	0.00%
3	Debt Service Coverage Ratio	EBITDA	Debt Service*	213.51	0.15	144429.70%
4	Return on Equity	Profit after tax	Shareholder Equity	3.07%	0.34%	2.73%
5	Inventory Turnover Ratio	Sales	Average Inventory	N.A.	N.A.	N.A.
6	Trade Receivable Turnover Ratio	Sales	Average Trade Receivables	1,580.73	724.05	118.32%
7	Trade Payable Turnover Ratio	Purchases	Average Trade Payables	N.A.	N.A.	N.A.
8	Net Capital Turnover Ratio	Net Sales	Working Capital	(1.16)	(1.27)	-8.61%
9	Net Profit Ratio	Net Profit after Tax	Net Sales	17.97%	0.87%	17.10%
10	Return on Capital Employed	EBIT	Tangible Net Worth+Total Debt+DTL	6.57%	3.04%	3.53%
11	Return on Investment	Profit on Sale	Average Investment	2.09%	3.88%	-1.79%

* Debt Service - Interest & Lease Payments + Principal Repayments

Reason of Variance (More than 25%):

- 1) Debt Service Coverage Ratio:** Due to repayment of loan in previous financial year.
- 2) Trade Receivable Turnover Ratio:** Due to decrease in Average trade receivables.

33. Accounting judgments, estimates and assumptions

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

JUDGEMENTS

In the process of applying the Company's accounting policies, management has made the following judgments, which have the most significant effect on the amounts recognised in the financial statements.

ESTIMATES AND ASSUMPTIONS

The key assumptions concerning the future and other key sources of estimating the uncertainty at the reporting date, that have a significant risk of causing a material

Songadh Infrastructure & Housing Limited

Notes annexed to forming part of financial statements

adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

TAXES

Deferred tax assets are recognised for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

Impairment of non-financial asset

Impairment exists when the carrying value of an asset or cash generating unit exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. In such cases, the fair value less costs of disposal calculation is based on available data, conducted at arm's length, for similar assets or observable market prices less incremental costs for disposing of the asset. The value in use for calculation in such cases is based on a discounted cash flow (DCF) model.

Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

34. Financial Instruments

Initial recognition and measurement

Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs, except for those carried at fair value through profit or loss which are measured initially at fair value. Subsequent measurement of financial assets and financial liabilities is described below:

Non-derivative financial assets **Subsequent measurement**

Songadh Infrastructure & Housing Limited
Notes annexed to forming part of financial statements

i. **Financial assets carried at amortised cost** – a financial asset is measured at the amortised cost, if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

ii. **Financial assets at fair value through Profit & Loss (FVTPL)**

Financial assets, which does not meet the criteria for categorization as at amortized cost or as FVOCI, are classified as at FVTPL.

Financial assets included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit & Loss.

Set out below, is a comparison by class of the carrying amounts and fair value of the Company's financial instruments, other than those with carrying amounts that are reasonable approximations of fair values:

(Rs. in Lac)			
Particulars	Fair value hierarchy	For the year ended March 31, 2025	For the year ended March 31, 2024
		Carrying value / Fair value	Carrying value / Fair value
Financial Assets designated at fair value through profit and loss			
Investments in mutual funds	Level 1	32.01	4.60
Financial Assets (Measured at amortized cost)			
Trade Receivables		-	0.41
Cash and cash equivalents		3.08	1.75
Financial Liabilities (Measured at amortized cost)			
Borrowings		100.00	-
Trade payables		3.41	37.67
Others		306.99	323.01

The fair value of investments in mutual funds is based on unquoted net assets value as at the balance sheet date.

Songadh Infrastructure & Housing Limited

Notes annexed to forming part of financial statements

The management assessed that Trade Receivables, Cash and Cash equivalents, Others, Borrowings and Trade payables approximate their carrying amounts largely due to the short-term maturities of these instruments.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

Fair value hierarchy

The fair value of financial instruments as referred to in note (A) above has been classified into three categories depending on the inputs used in the valuation technique. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities [Level 1] measurements] and lowest priority to unobservable inputs [Level 3 measurements].

The categories used are as follows:-

Level 1: Quoted prices for identical instruments in an active market;

Level 2: Directly (i.e. as prices) or indirectly (i.e. derived from prices) observable market inputs, other than Level 1 inputs; and

Level 3: Inputs which are not based on observable market data (unobservable inputs).

Fair values are determined in whole or in part using a net asset value or valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

Fair value of instruments measured at amortised cost

For the purpose of disclosing fair values of financial instruments measured at amortised cost, the management assessed that fair values of short term financial assets and liabilities approximate their respective carrying amounts largely due to the short-term maturities of these instruments. Further, the fair value of long term financial assets and financial liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

35. Financial risk management objectives and policies

The Company's principal financial liabilities comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include security deposits and cash and cash equivalents that derive directly from its operations.

The Company is exposed to market risk, credit risk, liquidity risk, interest risk and foreign currency risk. The Company's management oversees the management of these risks. The management reviews and agrees policies for managing each of these risks, which are summarised below.

Songadh Infrastructure & Housing Limited

Notes annexed to forming part of financial statements

Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. The Company is not significantly exposed to currency risk and other price risk.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

The Company does not have floating rate borrowings therefore no interest rate risk exists.

Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities including deposits with banks and other third parties and other financial instruments.

Trade and other receivables

Trade receivables do not have any significant potential credit risk for the Company as the business of the Company is with single customer. The Company Management has established a credit policy under which the customer is analyzed for creditworthiness before the Company's standard payment and delivery terms and conditions are offered. Credit limit has been set up and reviewed periodically. The credit risk from loans and advances are being managed in accordance with the procedures defined by the Company which includes parameters of safety, liquidity and returns. The Company's review includes market check, industry feedback, past financials and external ratings, if they are available, and in some cases bank reference checks are also done.

Interest Rate Risk and Sensitivity

The Interest Rate Risk exposure relates primarily to the risk of changes in market interest rates relating to long term borrowings. However, since the company has taken only fixed rate borrowings so, it has no such risk.

Songadh Infrastructure & Housing Limited
Notes annexed to forming part of financial statements

Liquidity risk

Liquidity risk arises when the Company will not be able to meet its present and future cash and collateral obligations. The risk management action focuses on the unpredictability of financial markets and tries to minimise adverse effects. The Company's approach is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when due and Company monitors rolling forecasts of its liquidity requirements.
